Bellabeat Repivot

Goal:

Find how consumers use their Fitbit to guide Bellabeat's marketing strategy.

Data Used For Analysis

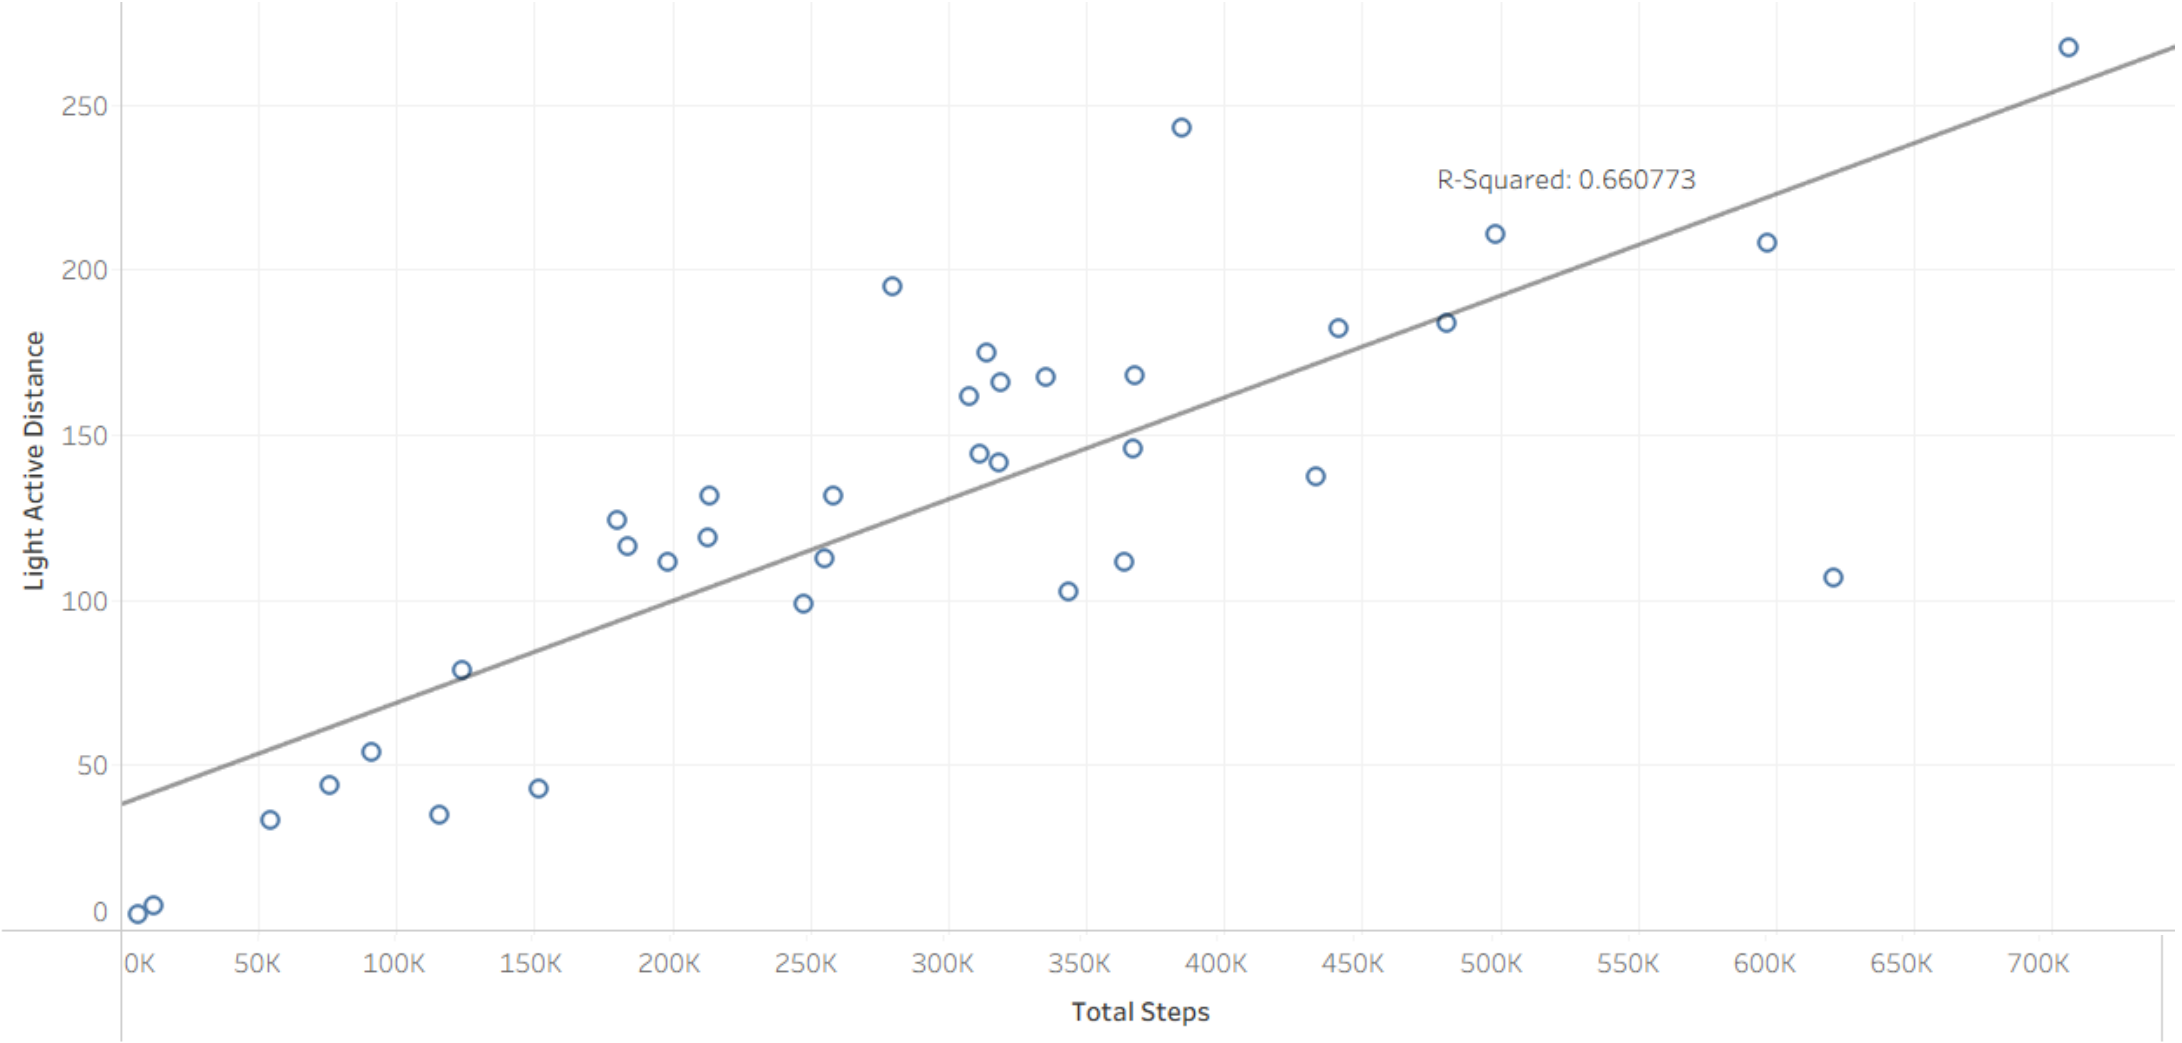
Timeframe:

3.12.16 – 5.12.16

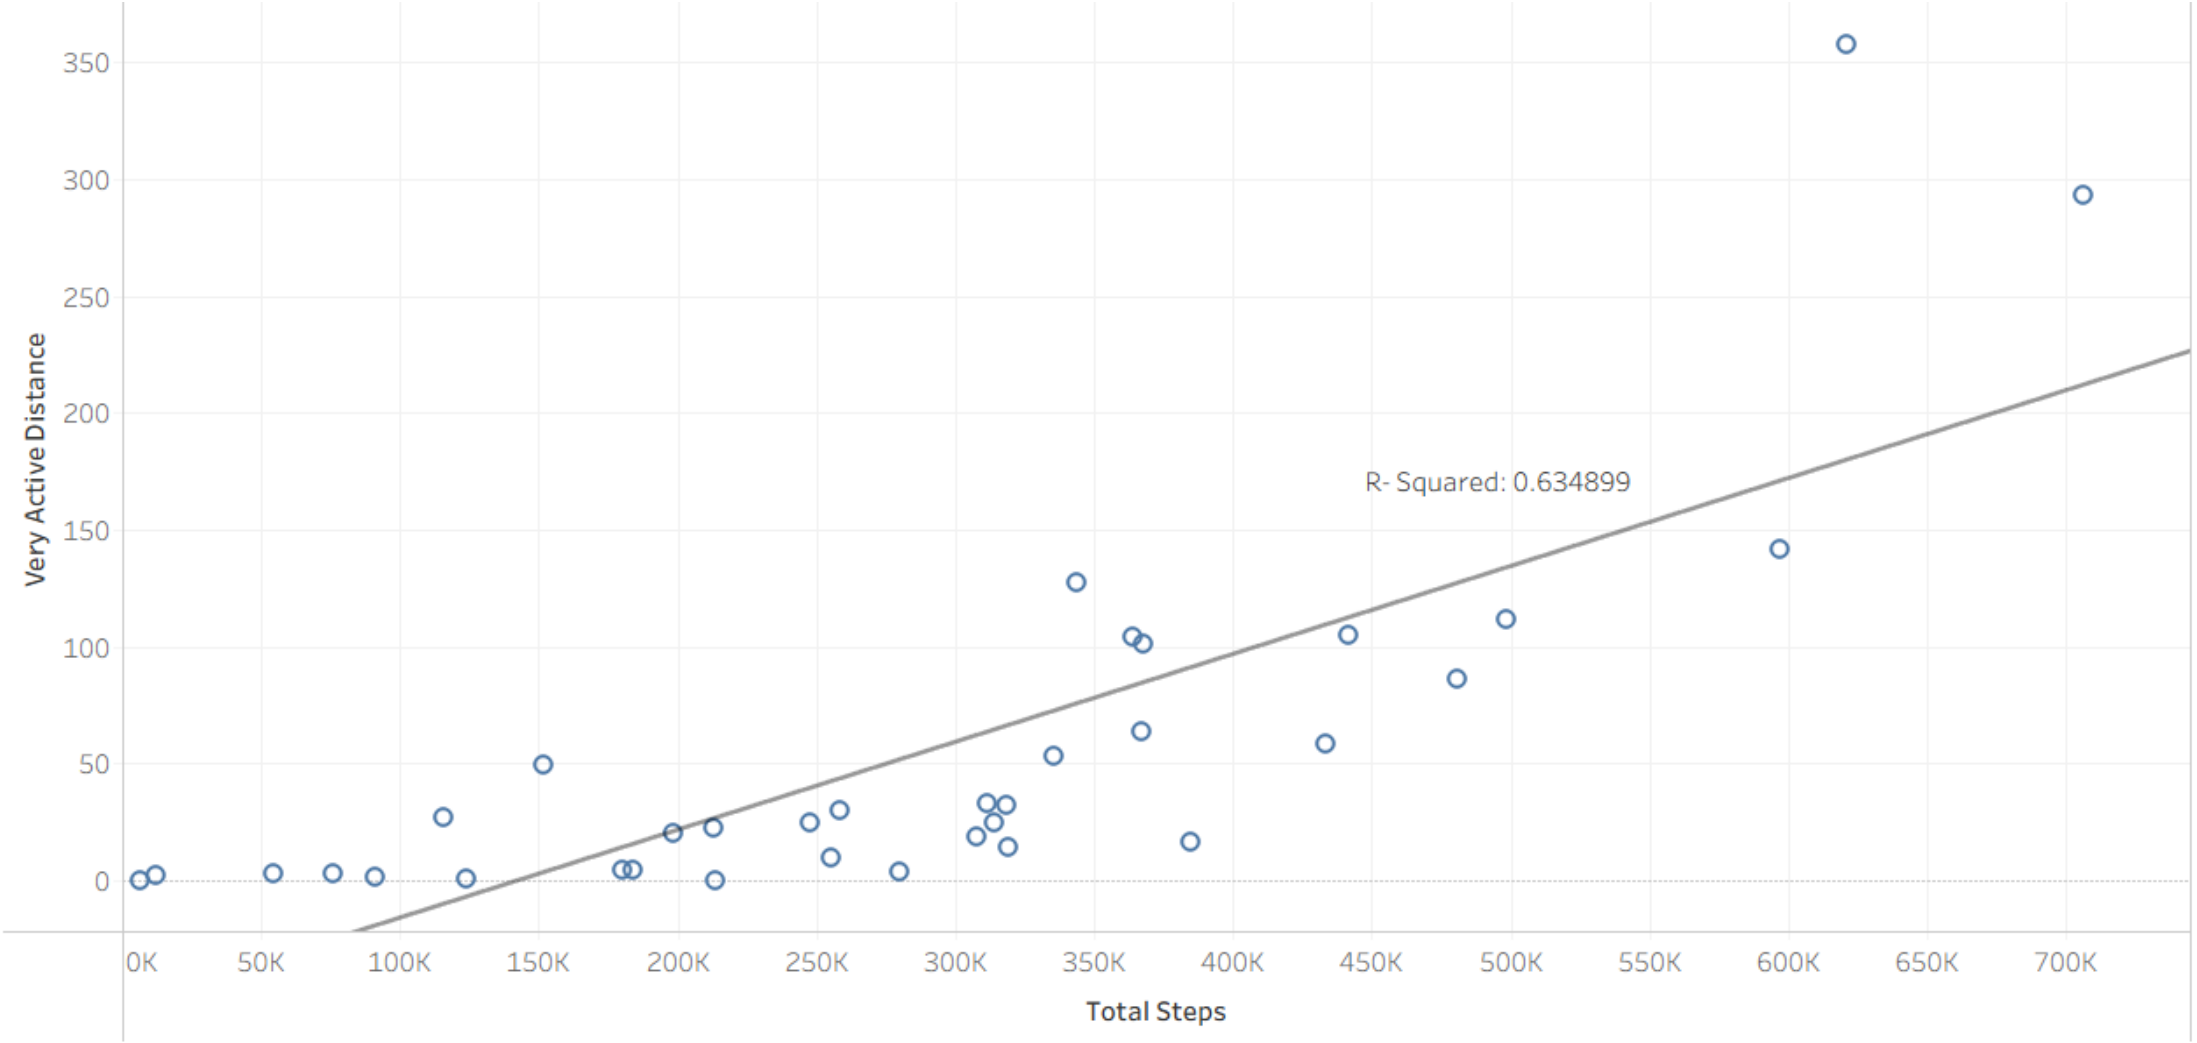
Data:

- ~35 Fitbit Users
- Steps, Calories, Activity, Sleep

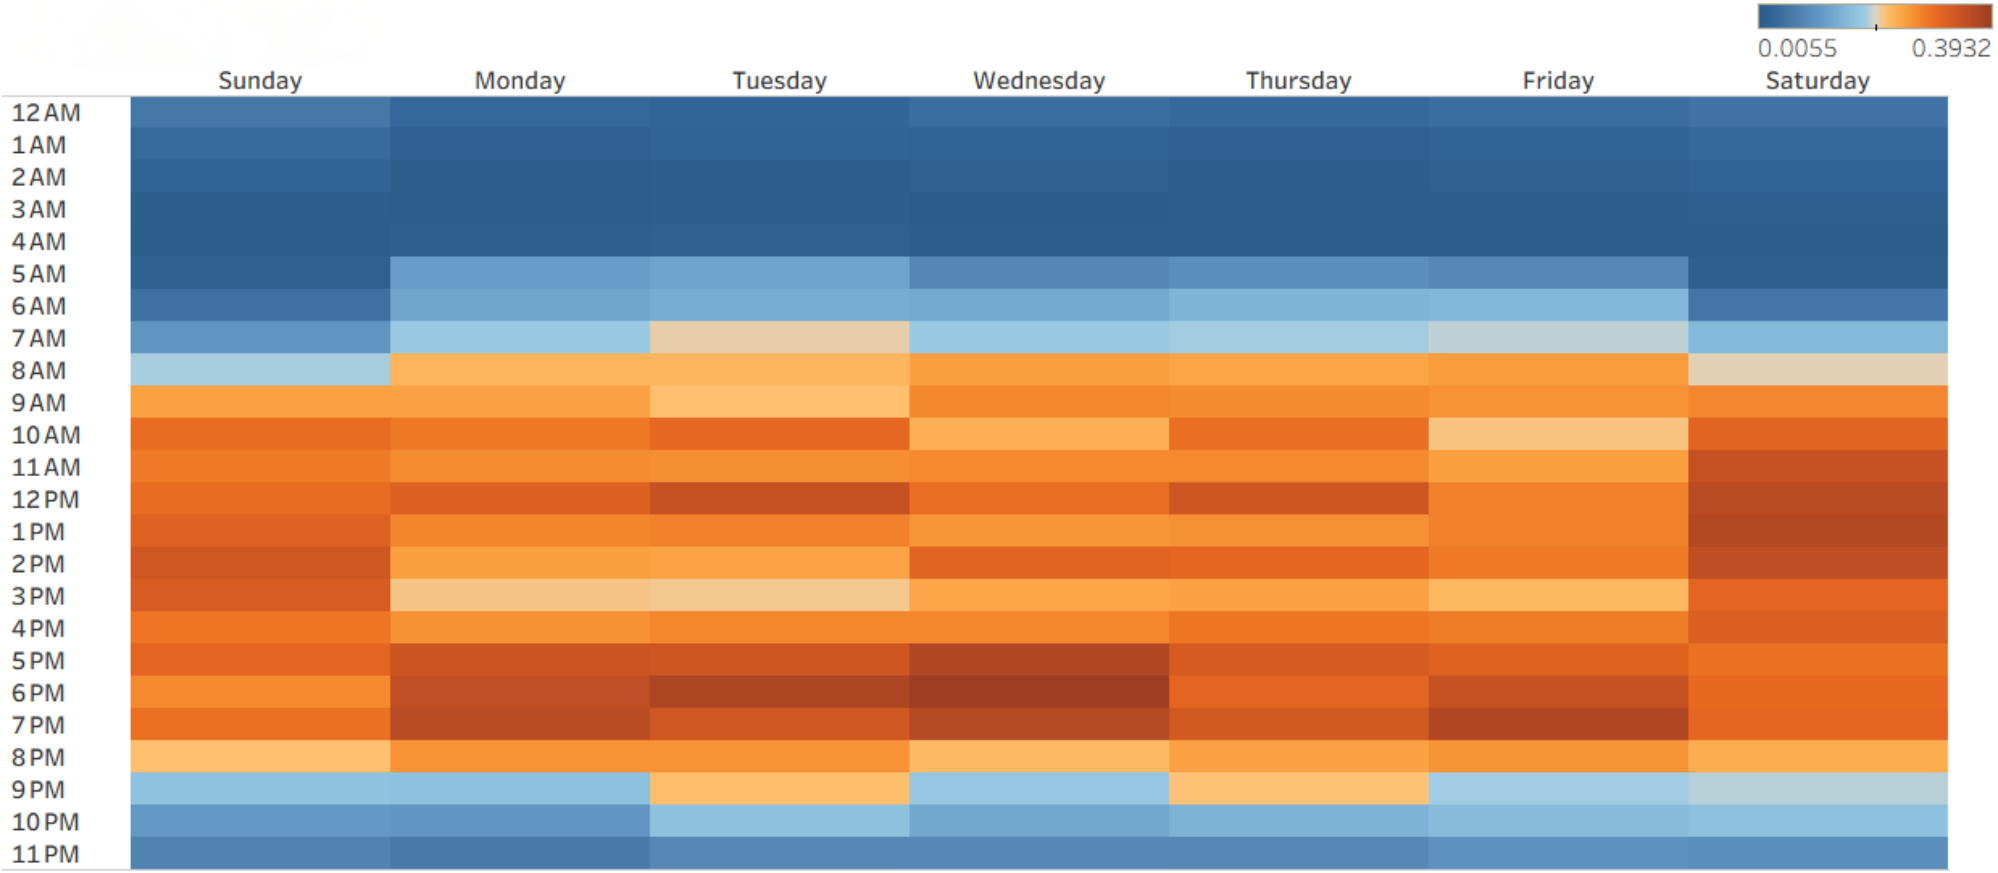
Where are steps coming from?



Where are steps coming from?

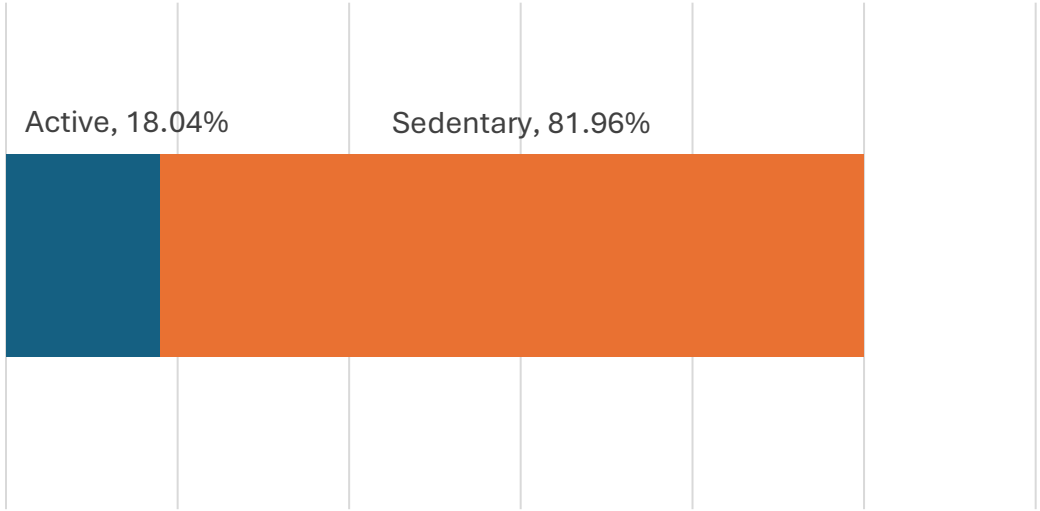


Intensity by Hour

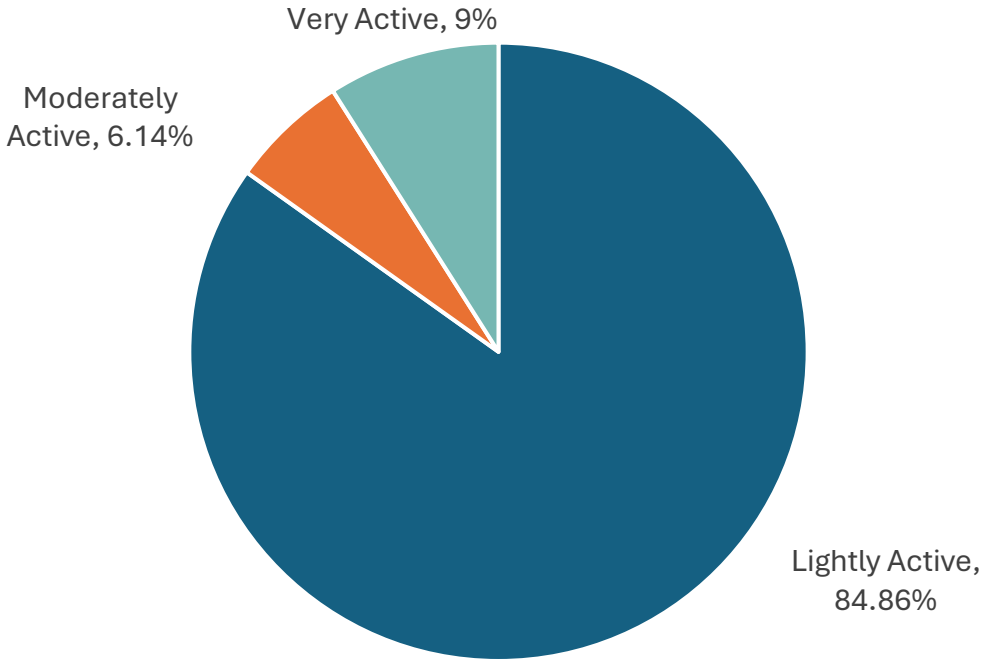


Activity Type Breakdown

Active vs Sedentary Minutes



Non-Sedentary Activity Minutes



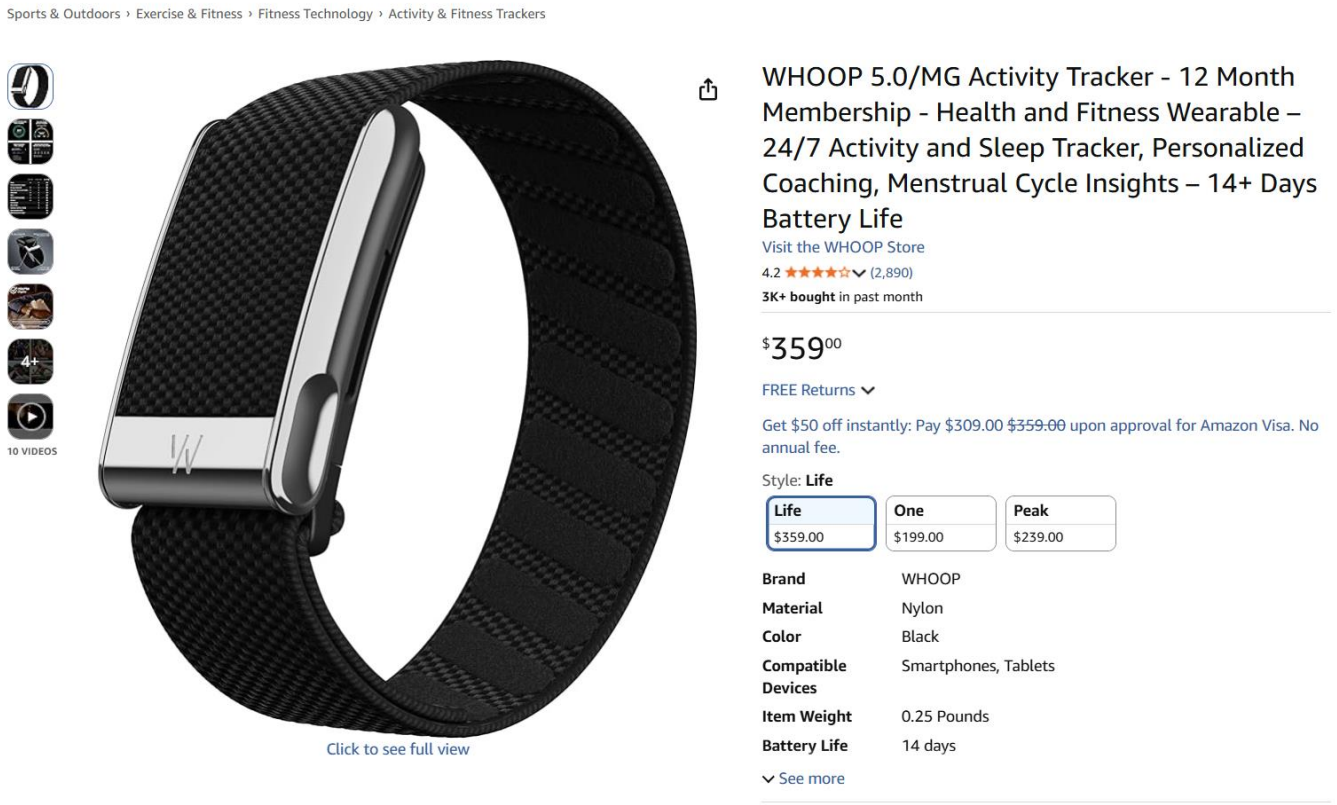
Use Cases

- Light Activity
- Habitual
- Health Consciousness > Fitness Consciousness

Use Cases

- Informative
- Complete Health Monitor
- Useful Metrics
- Provided great insights

-Amazon Reviews



Use Cases

- Reveal a comprehensive and accurate state of your body
- Live a healthier life
- Identifies self-care gaps

IVY+ Health Tracker

$ 380.00

Live a healthier life with IVY+ health tracker! IVY+ is the only tracker designed and engineered for women, which **correlates menstrual cycle data, lifestyle habits, and biometric readings.** It reveals a comprehensive and accurate state of your body and mind.

Problem

- Value Proposition Disconnect
- Current Distribution
  - Bellabeat Website
- Target Market Can’t Discover Product

Plan

- Emphasize Health Tracking
  - Menstrual Cycle Data
- Relaunch Social Media Accounts
- Revive App & Website

Plan

Leaf Urban

(376)

$ 99.00

The best of both worlds; this wellness tracker combines fashion with function to help you raise your well-being to the next level. Become in sync with your body, mind, and soul!

Choose Your Style:

Long Term

- Convert IVY+ users to AI Coach subscribers
  - Recurring Revenue
  - Increase Reliance on Brand
- Build Product Depth for Health Conscious Customer

Recommendations

- Revive digital presence to close discovery gap
- Lower barriers to entry by adding more distribution channels
- Deploy lifestyle-centered triggers to current and prospective users during hotspots
